

Funding in your local area

There may be accessible sources of funding right on your doorstep. There are several routes below which may help you to find out about additional funding that you may be eligible to apply for.

Local Borough/District Grant

Your local district council may be able to offer some funding support. To find out, you will need to contact the relevant Sports Development Officer.

To find out the name of your local Sports Development Officer:

- 1) Go to www.sportinherts.org.uk and visit the 'Useful Contacts' section;
- 2) Simply CLICK on the 'In your area' map and CLICK on the borough/district you live in; where you can access the name and details of your local Sports Development Officer.

Alternatively, you can call the Herts Sports Partnership on 01707 284229 or email info@sportinherts.org.uk

The Hertfordshire External Resources Network (HERN)

HERN is a network of organisations and individuals who aim to maximise the amount of external funding (money that is sourced from outside the county) that can be brought into Hertfordshire. HERN resources including their website are available for any organisation in Hertfordshire trying to increase its external funding to improve delivery of services to or the quality of life of people living in the county.
