

CHARITY SPORTS SHOP REQUIRES VOLUNTEER SHOP ASSISTANTS

Watford FC's award winning Community Sports and Education Trust (charity no: 1102239) is working in partnership with Sports Traider to open a charity sports shop in Watford.

Sports Traider is a youth focused charity providing people with the opportunity to buy donated sports clothing and equipment at a minimal cost. Half of any proceeds (after costs) generated from the shop will be donated by Sports Traider to Watford FC's Community Sports and Education Trust to help fund local community sports projects run by the Trust.

We aim to open the shop in the Harlequin Shopping Centre by the end of January and now need to recruit a team of volunteers to help with the smooth running of the shop.

You will become part of a dynamic and diverse team of volunteers. You will be required to sort stock, prepare items for sale, assist customers with their purchases, sell shop goods and help to keep the shop tidy.

The charity sports shop will provide opportunities for all. The role will include working alongside volunteers from a range of our partners, under the guidance of a shop manager. Everyone involved will become a valued member of the team.

Hours of work are to be agreed so if you are over 16 years of age, have some spare time, want to put something back into your community and are interested in becoming part of this exciting project please contact Ann Watt on 01923 496231 or by e-mail at ann.watt@watfordfc.com
