

HERTFORDSHIRE CRICKET BOARD LIMITED

Chance to Shine (Schools) Cricket Coaches

An exciting opportunity has arisen for enthusiastic, committed and determined coaches to become part of the Schools Coaching team.

Specifically, HCB is looking to appoint several coaches to deliver the hugely successful schools cricket programme, Chance to Shine (supported by Brit Insurance). The Cricket Foundation launched Chance to Shine in May 2005 and set out to bring competitive cricket - and its educational benefits - back to at least a third of the country's state schools initially over a ten year period.

All candidates must have a minimum of an ECB or UKCC Level 2 coaching certificate as well as holding fully up to date First Aid and Safeguarding qualifications. Ability to travel between sessions is crucial so a full driving license is essential.

Successful coaches will be responsible for the delivery of cricketing activity in schools and in-turn, helping HCB to meet its core outcomes for schools cricket:

- Creating a Broad Opportunity to Play the Game (in schools and clubs)
- Create a Cricketing Legacy in Schools
- Help Schools to develop leadership skills in their pupils

Coaching positions of between 5 hrs and 25 hrs per week are available, depending on the circumstances of the individual and the requirements of the programme.

Coaching takes place between April and July 2012 and although ideally, HCB is looking for coaches to deliver throughout the entirety of this period, we will accept applications from coaches who are only available for some of the period.

Rate of pay is £17 per hour.

An enhanced Herts County Council CRB check is required along with fully paid up membership to both ECB Coaches Association and Hertfordshire County Cricket Association.

Candidates may be required to attend an Interview prior to appointment.

If you would like to apply, please send a copy of your CV and details of any relevant experience to:

James Carr, HCB Cricket Development Officer
james.carr@hertscricket.org

For more information, please contact James on the email address above or call 07780 630768
